

Name : Vishal singh

I am writing this letter to request a salary increment. I have been working with the company for the past three years, and I have only received one increment during this time. Due to my financial situation, I am finding it difficult to manage my expenses.

I have been a dedicated employee and have always fulfilled my responsibilities to the best of my abilities. I have also taken on additional responsibilities and have contributed to the growth of the company. I believe that I deserve a salary increment that is in line with my experience and contributions.

Here are the work list which i do.

1. Checkgate work
2. Minetag work
3. Attendance work
4. Document work
5. District Mo Work
6. Calling work

Thank you for your time and consideration.
